Terms and Conditions

Damage & Loss Responsibility

Renters accept full responsibility for any loss or damage to rental equipment. Any damages to or loss of merchandise covered by the contract will be paid for by the renter. Such repairs or charges are based on current list price.

Deposit

Coverage for the full replacement cost of all rented equipment is required in case of any loss or damage unless other arrangements are made in advance. One option is that a hold can be placed on a major credit card for the total value of the equipment. We accept Visa, MasterCard, American Express, Optima and Discover cards. Sorry, we cannot accept Visa or MasterCard check/debit cards or overseas credit cards drawn from non-USA banks for a rental deposit. A valid driver's license or current passport may also be required. We will also accept a cash deposit equaling the replacement cost of the equipment.

A Certificate of Liability Insurance may be accepted in lieu of a credit card or cash deposit. This store must be named as the certificate holder and/or loss payee and it must state the dollar value of your your policy's "Misc. Rental Equipment" and/or "Property of Others" coverage. That amount must cover the total replacement value of any and all rented equipment. It may be either faxed or emailed to Calumet from your insurance broker. Please have your broker contact a rental associate if they have any questions.

Should the equipment be delivered to or picked up by anyone other than the person whose credit card will be used for the rental payment or deposit, a Credit Card Authorization Form must be filled out by the cards owner. It must be returned to Calumet prior to the rental along with copies of the front and back of the person's card and license and/or passport. The form can be found on page 12.
